

Updates to COVID-19 State Plan Coverage!

March 23, 2020

Dear State Plan Member,

The State of Montana Benefit Plan (State Plan) and Allegiance have been closely monitoring the COVID-19 outbreak.

Top of mind for many plan members is coverage. Allegiance will program their system to cover **COVID-19 office visits for physician services, teletherapy visits, urgent care visits, emergency room care and testing**, waiving co-pays, deductibles and co-insurance for plan members when services are received from participating providers.

For the most updated and timely information and updates related to coronavirus, you can visit www.covid19.mt.gov or the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/index.html>. You may also follow the Disaster and Emergency Services (DES) social media accounts for more information.
